

One of the best ways to experience transforming community at Uptown Church is by being a part of a Life Group. Uptown Life Groups are small group Bible studies that meet regularly in someone's home. Within Life Groups, members share their lives with one another through studying God's word and encouraging one another through prayer and fellowship.

Uptown offers a number of different Life Groups that meet at different times and locations during the week. If you are interested in visiting a group please feel free to contact the leaders/hosts listed below for more information and/or directions. If you have any questions about how to go about finding a Life Group that is right for you, please contact Associate Pastor Dave Kulp at 704.564.8184 or [davekulp@uptownchurch.org](mailto:davekulp@uptownchurch.org).
