The Sermon

Rev. Dr. Michael Kruger

The Centrality of the Word of God
Deuteronomy 31:1-29

I. The Authority of God's Word: "Then Moses wrote this law..." (v.9a)

II. The Teachers of God's Word: "He gave it to the priests..." (v.9b)

III. The Hearing of God's Word: "Assemble the People..." (v.10-12a)

IV. The Purpose of God's Word: "Hear and learn..." (v.12b-13)

REFLECTION AND APPLICATION

1. Where does the authority of God's Word come from? Why is this significant?
2. Who is supposed to hear God's Word? Who comes under its authority? Are these people being reached with the truths of Scripture today?
3. Why does God give us His Word? How are you doing at hearing and learning? What steps can you take to view Scripture the way God views Scripture?
